PROFESSIONAL SUMMARY

Fourth-year BS Information Technology student and project lead with experience in frontend interfaces, web application integration, and collaborative development. Seeking an OJT placement in frontend or software development, bringing hands-on exposure to responsive design, databases, and version control.

EDUCATION

BICOL UNIVERSITY – COLLEGE OF SCIENCE **Legazpi City, Albay**
Bachelor of Science in Information Technology | Expected Graduation: June 2027

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript, Python, Java, C++, PHP
Frontend: HTML, CSS, React, Next.js, Tailwind CSS
Backend & Database: SQL, Supabase (PostgreSQL), authentication, API integration
Mapping & GIS: Leaflet, React Leaflet, QGIS
Developer Tools: Git, GitHub, VS Code, Codex, Google Antigravity, MySQL Workbench, Vercel, Render

SELECTED PROJECTS

GRAVENAV – GPS-ENABLED GRAVESITE LOCATION & CEMETERY MANAGEMENT | Academic Capstone
Project Lead / Frontend Contributor | In development
- Contribute to the design and development of visitor-facing gravesite mapping and cemetery-management interfaces, primarily on the frontend.
- Support database and mapping integration, including the ongoing preparation and verification of cemetery layout data for the Phase 2 pilot.

LOCAL TOURISM ITINERARY PLATFORM | Hackathon Project · 2026
Concept Originator / Application Developer
- Developed a tourism-planning prototype featuring a Trip Basket and Smart Itinerary Generator to organize local destinations and travel plans.

RELEVANT EXPERIENCE

FREELANCE FRONTEND DEVELOPER | S.A.F.E. – IoT Water Filtration Monitoring System
Direct Client Commission | September 2026 – Present
- Coordinated development of a client-commissioned IoT monitoring system, developed its frontend, and collaborated on backend and data integration.

OFFICE CLERK (PART-TIME) | PESO Daraga – Public Employment Service Office
Oct 5, 2026 – Present | Temporary 20-day assignment
- Enter information from paper forms into the office's online portal to support digital recordkeeping.

AWARDS & RECOGNITION

3rd Place – Handiong Track | Heroes of Innovation Challenge: Ibalong Festival Hackathon 2026 | Team Mind Goblins
